

It's Christmas!

Christmas, on 25th December, is an important festivity in Great Britain. Families decorate a **Christmas tree** with colored **baubles** and **lights** in their homes. Children write a letter to **Father Christmas (Santa Claus)** and, on Christmas Eve, he brings them presents. On Christmas Day, children usually get up very early to open their presents and they play with their new toys. Mum and dad prepare the Christmas dinner for the whole family. They eat **roast turkey** with **roast potatoes** and **Brussels sprouts**. For dessert, they have **Christmas pudding**. Crackers are an essential part of the Christmas party. Everyone has got a cracker next to the plate and opens it before eating. A **cracker** contains a paper hat, a small toy and a joke. People wear the paper hat during the dinner.
