

FRIENDS

1- Read the text and colour the children

Alain Durand and Helga Robins are ten years old and they are friends. They are from different countries, but they speak English. Alain is from Paris, France. His favourite colour is red and his favourite number is three. Helga speaks German, but she isn't German. She's from Vienna, Austria. Her favourite colour is yellow and her favourite number is eight. They live in London and they are students at St. Mary's school. They love English. It's their favourite subject.
