

# JANE'S DAILY ROUTINE

## 1) READ AND DRAW THE HANDS ON THE CLOCK

Hello, my name is Jane and my surname is Brown. I'm nine years old and I go to London Primary School. In the morning I get up at seven o'clock, I wash my face and I have breakfast. I eat cereal and biscuits. I drink milk and orange juice. Then I brush my teeth and I comb my hair. At a quarter to eight I go school by car with my mum and my sister Helen. At school I read and write. At a quarter past ten I have a snack and I play with my friends. I go home at a quarter past one and I have lunch. In the afternoon I do my homework and then I play with my friends at the park. At five o'clock I watch TV. In the evening I have dinner with my family. At nine o'clock I take off my clothes and I have a bath. Then I put on my pyjamas, I brush my teeth and I go to bed at half past nine.
