

# Help our planet!

## 1) Read about these children how they help save the planet.

Hi, I'm Helen. I live in London, England. I reuse my old clothes and I donate them to charity. When I go shopping with my mother we don't use plastic bag. We use reusable bags. I reduce, reuse and recycle!

Hi, I'm Fred. I live in New York, U.S.A. I don't waste energy. I turn off my computer when I don't use it and I recycle plastic, paper, tins and glass. Then I have short showers to reduce water! I reduce, reuse and recycle!

Hi, I'm Sarah. I live in Paris, France. I don't waste energy. I always turn off the lights when I leave the room and I put the rubbish in the correct bin. I reduce, reuse and recycle!
