

My bedroom

Read, color and draw the missing objects.

Hi, I'm Elisabeth and this is my bedroom. It's my favorite place in my home and I like playing here. My bed is pink, the carpet is pink and yellow, the chair and the table are yellow, the wardrobe is orange. Under the chair there is my red ball. Under the table there is my blue skateboard. On the bed there is my brown teddy bear and on the carpet there is my doll. Near the bed there is my schoolbag: it is green. On the table there is a yellow lamp, my colored pencils, my red pencil-case and my books.
