

# My first day of school

1) Read and draw Charlotte's school objects in her schoolbag then colour as requested

My name is Charlotte. I'm nine years old and I've got blonde hair. We are in September and today is my first day of school. I have a pink schoolbag. I have a blue book, a

yellow pencil, an orange ruler and some coloured crayons in my schoolbag. I have a red apple and a banana in my lunch box, in the schoolbag. I like fruit.

My classroom is big, my desk is green and my chair is yellow.

My teacher is very nice. Her name is Mrs. Claire. There are 20 students in my class.

Today we color pictures, we sing songs, and we read and write.

The school has a small playground. I play with all my friends.

I like my school!
