My favourite school day

1) Read and colour

My name is Harry. I'm nine years old. I'm a student. I live in a small town with my parents and a little sister. I get up at 7 o'clock in the morning. I wash my face, I put on my clothes. In my school students wear uniforms. The boys wear a blue jacket, a red shirt, green shorts, red socks, blue shoes and a blue hat. The girls wear a pink hat, a purple jumper, a white blouse, a grey skirt, pink socks and black shoes. Then I have breakfast: I eat milk and cereal and I drink orange juice.

I go to school at 7:45. I usually go to school on foot, school isn't far from my house. My lessons start at 8 o'clock. I go to school from Monday to Friday from 8 o' clock in the morning to 4 o'clock in the afternoon. My favourite subjects are History and P.E., but I love English and I like Art. I think that Science is interesting. I don't like Maths. I'm good at Geography, but I'm not good at Maths. The Music lesson is on Monday at 11 o'clock and I'm happy because I play the guitar and I like music!

My favourite school day is Wednesday because I have English, History, Art and P.E. In English I study many interesting facts about Great Britain, America and Australia... I like school!
