This is our town. It is a little, but a beautiful town. We have a supermarket where you can buy food. There is a school where the children study. We also have a bank. You can buy medicine at the chemist's. The pet shop is between the newsagent's and the minimarket. You eat in a good restaurant near the park. We have a police station, too. You can watch films at the movie theatre and we have a fire station next to the hospital. The clothes shop is next to the butcher's. We like our town very much. It is a good place to live.
