

READ AND COLOR THE CHRISTMAS SCENE AS REQUESTED

Hi, I'm George and I'm happy because it's Christmas time. I like Christmas very much! It's winter and it's snowy and I like singing Christmas carols with my sisters in the evening around the village. Everything is white and the stars are so bright!

I've got three sisters. Susan is between Elisabeth and Lucy. She is blonde and she's wearing a blue coat, a red hat, a red scarf, a green dress, and black boots. She is nine years old. My sister Elisabeth is near me. She is wearing a green hat, a yellow scarf, a red jacket, green trousers and blue boots. Elisabeth has got black hair and she is twelve years old. Lucy is next to Susan. She is eleven years old and she's got blonde hair, too. She is wearing a pink jacket, yellow trousers, brown boots and a pink and yellow scarf.

I'm wearing an orange scarf, a light blue jacket, blue trousers and black boots. I've got black hair and glasses. I'm eight years old. My sisters are singing "Jingle bells" and I'm ringing a bell. Puppy, my small dog, is behind Lucy. He is brown and he is singing, too. It's all very funny!
