What you'll need:

- 3" Clay Pot
- Clay
- Colored Popsicle Sticks
- Flower Template
- Construction Paper (many colors)
- Scissors
- Glue
- Scotch Tape
- Pictures
- Paint, Markers, Crayons, etc.

How to make your Homemade Mother's Day Flower Pot Craft:

- Decorate your clay pot however you would like! Put it aside to dry.
- Print out the flower template provided above.
- Cut out the template flowers, trace them onto construction paper and cut out the construction paper flowers.
- Cut the center circle out of the template flower. Place onto construction paper flowers and trace around it. Carefully cut out the center circle in each of the construction paper flowers.
- Tape pictures or sayings on the back of each flower so that they are visible through the hole.
- Tape a popsicle stick to the bottom of each flower as the stem.
- Cut leaves out of green construction paper and glue to each popsicle stick.
- Fill the clay pot with clay. Stick the popsicle sticks into the clay to complete the craft!
