

©Poem for mother.

M is for the **m**any things she gave me,
O means **o**nly that she's growing old,
T is for the **t**ears she shed to save me,
H is for her **h**earth of purest gold;
E is for her **e**yes, with love-light shining,
R means **r**ight, and right she'll always be,
Put them all together, they spell
"MOTHER,"
A word that means the world to me.
