Hi my name is Becky, I'm ten years old. It is winter. It is very cold. I'm outside in the snow.

I'm wearing winter clothes: a red coat, blue leggings and red boots. I've got a red and yellow scarf and a red and yellow hat. My mittens are purple.

Abbie is my sister and she is wearing a pink jacket. Her trousers are green and her boots are black. Her mittens are pink. Abbie is seven years old. We've got a dog: Pinky. He's big and orange. He always plays with me and my sister.

Our house is big and light green. The small house in the street is blue .

Today we are very happy because we love to play in the snow. I've got an enormous snowball and my sister has got a small snowball. We want to make a funny snowman with a long carrot for nose. Winter is a fantastic season!
