

# George's routine

## 1) READ

Hi, my name is George and I'm nine years old. This is my typical day. In the morning I usually get up at a quarter to seven. I wash my face and my hands at seven o'clock, then I comb my hair at ten past seven. I get dressed at a quarter past seven. I have breakfast at half past seven: I eat a toast, an apple and I drink a fruit juice. At a quarter to eight I go to school on foot. At school I read and write. I have lunch at home and in the afternoon I do my homework at half past two. I play at four o'clock and then I watch TV. In the evening I have dinner at seven o'clock. I have a bath at eight o'clock. I put on my pyjamas at nine o'clock and I read a book. I go to bed at half past nine.

## 2) Write the action and the time

Get up

6,45
