**ABOUT HENRY: LISTEN TO THE TEACHER AND CIRCLE  
THE RIGHT OPTION**

My name is Henry. I usually get up at 7:00 o'clock. I wash my face, I comb my hair and I get dressed. I put on my school uniform: blue trousers, a red jumper and black shoes. Then I have breakfast with milk and cereal and I brush my teeth. I go to school by car with my dad. I finish school at 1:30 and I go home by bus. I have lunch: I eat pasta and hamburger with salad and then I study for two hours. In the afternoon I play with my friends at the park or I watch TV. In the evening I have dinner with my family and finally I go to bed at 9:00 o'clock.
