

Saint George's Legend

Part 1

There is a big castle

in a small village.

In the castle lives a king

and his daughter,

the Princess.

One day a terrible dragon comes to live in the lake near the village.

It is a very big, bad and hungry dragon.

The villagers give the dragon all their food. It eats all the food and then it attacks the village. The king sends his army, but the dragon is

too strong, so the soldiers

run away.

The king

decides to send the princess

to the lake and when

the dragon

sees the Princess

he decides to eat her.
