

In the art class

One of the things we like best about school is our art class. We have a great teacher named Mrs. Marie Noelle. She is a fantastic artist. She teaches us how to draw and to mix colours. We listen to good music while we are drawing. We have Art on Tuesdays and on Fridays. Sometimes we look at pictures of other artists and we study information about

the painters and the paintings. Sometimes we watch things as fruit or toys and we paint them. It is interesting to do this. We have an art exhibition at the end of the school year in June and our parents are invited to come to see our works. The best picture will win an award. We are very excited about it!
