

Poem: “Snowflakes’ Waltz”

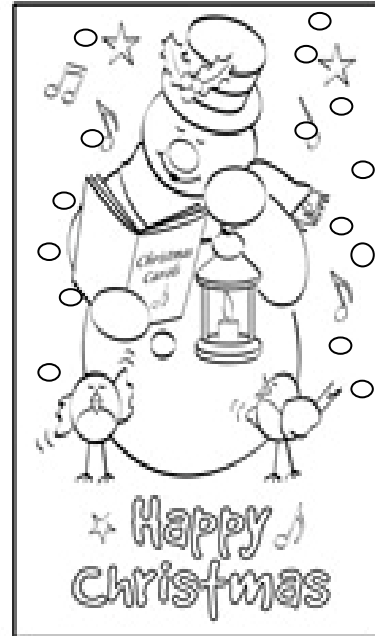

Read and learn the poem

*The snow is falling
Slowly, slowly
1 **one**, 2 **two**, 3 **three** snowflakes.*

*The snowman
Smiles in the winter garden
4 **four**, 5 **five**, 6 **six** snowflakes.*

*What a magical silence
In the dark blue night
7 **seven**, 8 **eight**, 9 **nine** snowflakes.*

*What a pleasant surprise:
a robin redbreast here!
10 **ten**, 11 **eleven**, 12 **twelve** snowflakes.*

the bubbles are orange, blue, purple and pink
the ribbons are yellow
the star is yellow
the candy canes are red and white
