

Easter poem and card

www.maestralidia.com

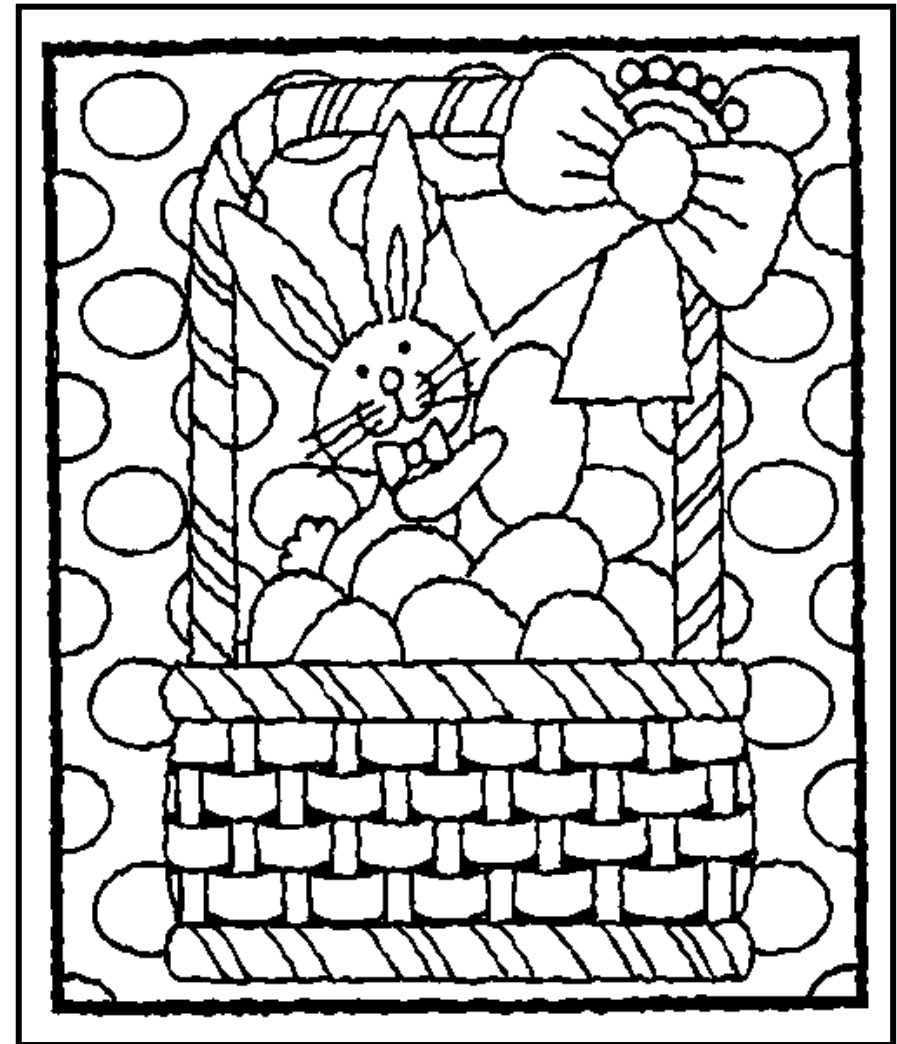

Eggs are red,
eggs are blue
Eggs are for me and you.

Eggs are yellow,
eggs are white,
eggs are an Easter delight.

Eggs are pink,
eggs are green
but chocolate eggs
are the best I've ever seen

Color the card, cut it. Take a colored paper and fold it in half.
Copy the poem inside the card and write your name.
Stick the card on the front paper.

Happy Easter
