HALLOWEEN NIGHT

Halloween is on October 31st. In the United States, in England and in many other places around the world,

people have lots of fun on Halloween.

They make Jack-o-lanterns. They make a scary face on a pumpkin, put a candle inside and put it in the window.

Children

dress up as witches and ghosts and go trick-or-treating. Some of them knock on the door and run away. Others stay and get a treat.

Children also go to parties and play lots of games, like 'apple bobbing'.
