## FIRST DAY OF SCHOOL

### 1) READ AND COLOUR

Hi, my name is Olivia Brown and I'm ten years old. I've got blonde hair. I'm in class 5 Today is the first day of school and I'm very excited.

I'm wearing my school uniform: a blue skirt, a yellow T-shirt, a dark green jacket, red stockings and black shoes.

I go to school by bus at 8 o'clock in the morning.

Today I can see my teachers and my school friends, I'm really happy!

Miss Kelly is my English teacher and Mr. Robinson is my Math teacher. They're my favourite teachers: they're very friendly and nice. English is my favourite subject.

There are fifteen students in my class.

There are seven boys and eight girls. Miss Kelly wants the students to bring their books, exercise-books, pencils, pencil cases, rubbers, pencil sharpeners, rulers, scissors, and crayons in their schoolbags to school every day. I like my teachers and friends very much. Henry and Ellen are my best friends and we always come back home together. We are very happy to be together again!
