

# DECORATING THE CHRISTMAS TREE

Decorating the tree is Lisa's favourite thing about Christmas. Every year on the first day of December, Lisa and her family go to the Christmas tree lot and pick out the perfect tree. Lisa wants a tall tree. When they bring the tree home, Lisa's dad sets the tree in the living room and then it's time to decorate! Lisa and her brother John love decorate the Christmas tree! The first thing they do is put lots of coloured lights around the tree. Next they take the ornaments and they put them all around the tree. At the end they take the big bright star and they put it on the top of the tree. Decorating the tree is a special Christmas tradition.
