Hi, my name's Victoria, I'm nine years old. I'm blonde. In the picture I'm with my friends Harry and Mary. It's Halloween and it's a great night. We are wearing Halloween costumes and we are very happy. I'm a princess and my costume is pink. I've got green shoes, a gold crown, a blue necklace and a black and orange treat bag. Harry is ten years old and he's monster Frankenstein and he's wearing a black jacket, a purple and green T-shirt, grey trousers and black shoes. He's got an orange treat bag: it's a jack o' lantern.

Mary is eight years old and she's a tiger, her costume is black and orange and she's got a brown treat bag with a white ghost. She's wearing black shoes. The sky is blue and there is the moon. We're ready to go "treat or tricking". We go house-to-house and we say "trick or treat" and we'll get some candies. We are really excited!
