

Sally's house

GIF - 72 DPI

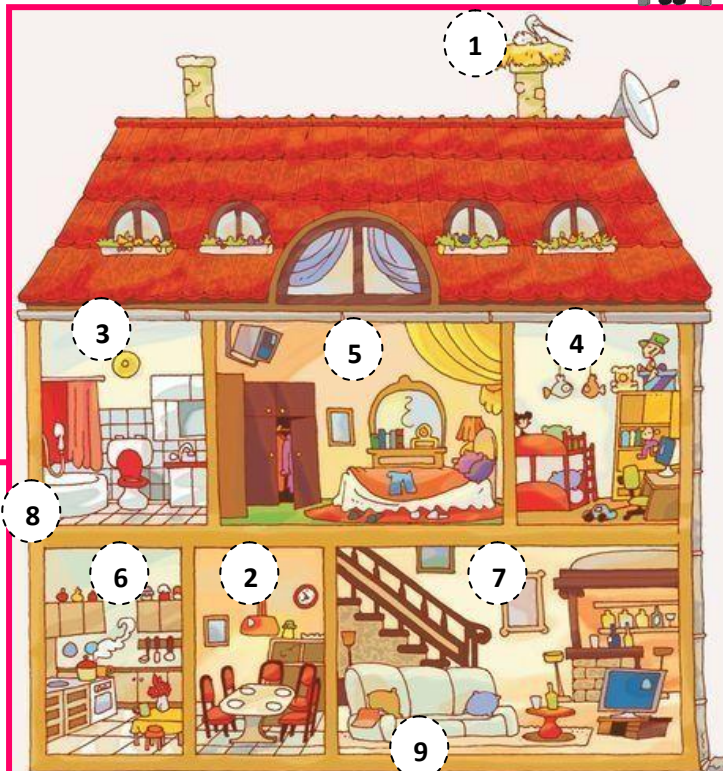

Hello! My name's Sally and this is my house!

My name's Sally, I am eleven years old and I am from London, the capital of England. I live with my mother and my father in a quiet little house. My house is small but very cozy.

Upstairs there are two bedrooms and the bathroom. In my parents' bedroom there is a big bed, there is a wardrobe and a chest of drawers and a TV. In my bedroom there are two beds and a desk. On the desk there is my computer. In the bathroom there is a bath, a washbasin, the toilet and a mirror above the washbasin.

Downstairs there is a big living room, a kitchen and a dining room. The kitchen is small. It has got a table in the centre, some chairs, a cooker, some cupboards where we keep our plates and glasses, and a oven. In the living room there is a big white sofa, a coffee table and a TV. There is also an attic in my house.

I love my house!
