My name is Jane. I am ten years old and I live in Spain, but I'm English. I've got blonde hair and I'm wearing a yellow T-shirt, a red skirt, a blue jacket and red shoes. My favorite season is summer because I like swimming. I can play tennis and I like playing basketball, too. My favorite color is yellow. I get up at seven o'clock, I have breakfast and I go to school at half past eight. My favorite subject is History. I don't like Science: it's boring! I like pizza very much, but I don't like hamburger. I have got a brother and a sister. My sister's name is Tom and he is one year old, my sister's name is Sally and she is twelve years old. I love my baby brother because he is very funny!
