

My favourite season: winter!

Hi, my name is Angelina and I love winter because I like snow! I can make so many things with snow! My mum and I like making snow angels and all my family has a snowball fight in our white garden. It's so funny! The best part is making a snowman: I choose the eyes: two big black buttons and its nose is a long, orange carrot. I like skating, too! I go skating with my big sister Helen and my mother. We go to the frozen lake in the park. In the evening, when we are at home, we sit near the fireplace. My mum reads us a lovely story about snow and winter and we drink hot chocolate. It's so nice to spend the evening near the hot fireplace!

I also like winter clothes. My grandmother knitted me a purple hat, a scarf and two mittens! They are so warm! Winter is the best season for me!
